

In|Floor. Soooo clean!

In|Floor HL53 Shower channel

In|Floor. Soooo clean!

*Easy cleaning, exclusive design,
integrated cross slope for perfect drainage*

- places a highlight in design and quality
- integrated cross slope for perfect drainage
- flat levelled, exposed water flow ensures easy cleaning
- odour trap collecting dirt, completely removable, easy to clean
- adjustable in length
- easy installation, easy sealing
 - cover can be completely installed above the seal level leading into the tile level
 - sealing collar can be used flexibly for compound seals and seal strips
 - tight fit to the outlet unit with an easy click
- suitable for construction sites
 - variable positioning of the drainage nozzle
 - separately packed sealing collar can be easily handed over to the tiler (does not disturb while installing the screed, stays clean and crease-free up to the integration into the surface sealing)

Technical information

Construction height: 90 mm / 65 mm
Water trap height: 50 mm / 30 mm
Drainage capacity: 0,8 l/s / 0,4 l/s
Suitable for floor covering: 12 – 32 mm (including adhesive bed)
Length: 800 – 1500 mm

Material options

Stainless steel, mirror polished

Stainless steel, matt brushed
