## HL130, HL132 and HL132.1

All bottle traps in our catalogue like HL130, HL132 and HL132.1 will from now on be delivered in a marginally different look. Apart from this changes, the dimensions of the traps will also differ. These changes will have no effect on the function or the quality of the product though. Pictures, technical drawings and the parts list of the new model are already on our website.
