

Technical drawing of a mechanical assembly, likely a valve or actuator, showing dimensions in millimeters (mm) and inches (").

Key dimensions and features:

- Overall length: 80 - 315 mm
- Top flange diameter: 5/4" "
- Top flange thickness: 29 mm
- Actuator stroke: 40 - 285 mm
- Actuator diameter: DN 32
- Actuator mounting flange diameter: 98 mm
- Actuator mounting flange thickness: 150 mm
- Actuator label: HL
