

HL3910GV

Grating d 146mm, cast iron frame 190x190mm, cast iron grate 175x175mm, screwable

The cast iron extension HL3910GV is now also available as a screwable version.

Like the type HL3910G, both, the frame and the inlet grate are made of cast and suitable for a load of up to 12,5t.

The new HL3910GV offers the option screwing and securing the cast iron grate to protect against theft and vandalism.

This screwable cast iron extension is suitable for the modular drain system of the floor drain series HL3100(T)K and HL5100(T)K and fits as well with the odor trap HL05100.7E and HL2100.

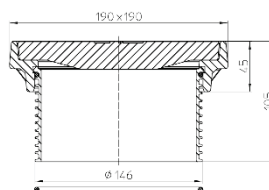

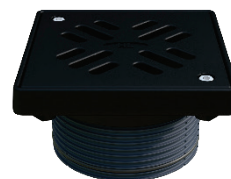

The area of application for these drains includes medium-sized areas such as car parks, warehouse and garbage rooms or mastic asphalt floor coverings.

HL3910GV Extension cast iron, screwable
